2 On the 2nd August 1902 the Diwan ordered as follows

Mr Sawday may now be asked and if he adheres to his agreement to pay much of the cost, 750 Rs, the building may be acquired and given over as it is an obstruction and eyesore.

3 It is not clear why Mr Sawday now wants the house to be made over to him. If it has to be done tender. Perhaps he wants to take the materials of the building.

5. The building has been stated to be an obstruction and eyesore, a blemish etc. - I do not admit that assumption that Govt. are disposed to acquire it & hand it over to the Municipality on payment by them of half the cost, the other half being borne by Govt. If the building is not to be demolished & the site thereof added on to the premises of the Municipality Girls' School, there can be no justification for the proposed acquisition & for the Govt. paying half the cost thereof. Read Lawday's assessment of value of the materials of the building, & to this we need not raise no objection. However if the building is to stand in its
